Devotional exercises were conducted to raising bright tobacco. Mr. John Lester sold his last year's crop, which was of lovely color and fine quality, for S06 per hundred pounds.

TROUBLESONE WASHOUT.

Cone of the most serious results of yesterday rain was the washout of a culture of the Alert engine-house is to be and they arrived and the work will soon. The sewer was originally built in

sure at being present.

The usual standing committees were

adopted.

An excellent report on Ministerial Fducation was read by Mr. Frederick Moore and adopted, after discussion by Dr. J. L. Dorset, Dr. R. Ryland, Hon.

J. Taylor Ellyson, Rev. W. S. Walker, of Georgia, and Professor Pollard, of Riehmend College.

J. The heavy rain of yesterday afternoon washed the newly-filled trenches in which water-pipes have just been laid quite badly, but further than this there was no damage done by the storm. Many of the streets were flooded and looked like small rivers.

J. Taylor Ellyson, Rev. W. S. Walker, of Georgia, and Professor Pollard, of Riehmend College.

An interesting and amusing report on temperance was read by Mr. J. W. Mann, and discussed by Mesara. Nettles, Stone, and others, which, after being amended, was adopted.

Heav. W. G. Lumpkin (Methodist), of The county and city chairmen in this
